Due to technical issues some students did not receive fellowship. DBT is taking this matter very seriously and is working to resolve the persisting technical issues. Understanding the financial hardships of fellows, DBT has decided to disburse fellowships of all the registered fellows to their respective institute / university bank account. Fellowship will be transferred upto 30th September 2018, after verification of Utilization Certificate (UC) and Statement of Expenditure (SOE) submitted by institutes / universities for the previous financial year 2017-2018. Thus, institutes/ universities/ fellows are requested to submit UC/SOE for the financial year 2017-18 on priority (if not submitted earlier) to enable DBT to release fellowship.
