Tenders, Purchase & registration of contractors
ENCLOSURE TO COMMERCE & INDUSTRY DEPARTMENT
MEMO NO. 5/7/78/B/XI 29-4-1978
AMENDMENTS IN THE STORE PURCHASE RULES SANCTIONED VIDE
C&I DEPTT. MEMO NO./11208/3209/XI/A DATED 26-8-74

1. The first order of preference of the "preamble to rule" may be deleted & the remaining items may be renumbered accordingly.
2. Competent authority with director of industries in the preamble to rule may be substituted as under :-
"competent authority shall give preference to articles manufactured by the small scale industries of madhya pradesh registered as such for the concernd articles with the director of industries"
3. The parts 1, 2, & 3 may be substituted by the following: -
 1. The rules express a definite preference for articles which are produced by small scale industries of Madhya Pradesh.
 2. "The difference in the character of the preference, which may be given, should be carefully noted. In the case of first four categories mentioned in the preamble the condition is that the quality is sufficiently good for the purpose, and for the fifth category that the articles are of suitable type and requisite quality. The means that tshe articles coming under the first four categories should be accepted in that order unless it is considered that the quality is affinity not up to the standard required even though articles manufactured else where and imported articles may be considered to be of better quality."
 3. "The other kind of preference referred to in the rules is the reservation for certain articles produced or manufactured by the small scale industries, to be purchased only though the M.P. LAGHU UDYOG NIGAM LIMITED."
 4. Para 9 may be substituted by "with reference to the principles of preference and reservation mentioned in the preamble, tendorers should be requested to furnish information in regard to the country of manufacture and/or origin of the material used in the manufacture of the articles"
5. Rule 2 may be substituted by the following :
"Tenders shall be invited India and abroad also when considered desirable for the supply of all articles which are purchased under rules 1 to 5 unless the value of the order to be placed Is small of sufficient reason to be recorded exist which indicate that is not in the public interest to call for tenders. No tenders which fails to comply with conditions, as to delivery and payment prescribed in rule 1, shall be accepted, provided that subject to rule 14 where purchase of items reserved in annexure "B" for the registered small scale industries of Madhya Pradesh is to made, no tender shall be invited and the rates quoted by the M.P. Laghu Udyog Ltd. Shall be binding on the competent authority."

6. In rule, 7- "provided that..... shall not apply may be substituted by: -Provided that where purchases are made through the M.P.Laghu Udyog Ltd. The above restriction shall not apply.
7. Rule 14 and its notes may be substituted by the following:
Rule 14, "Articles included in annexure "B" which is subject to revision from time to time produced or manufactured by small scale industries of Madhya Pradesh registered as such with director of Industries for concerned articles shall be purchased through the M.P. Laghu Udyog Ltd. Only at the rates fixed by them. No tenders for purchase of such articles shall be called by the competent authority separately.

NOTE: 1. The Madhya Pradesh Laghu Udyog Nigam Ltd shall circulate lists of small Scale industries product industries intended to be marketed through the Nigam The heads of department and the industries organizations from time to time.

Note 2. The M.P. Laghu Udyog Nigam shall float tenders, keeping in view the demands of various departments for term of standard specification only. However, in case any department requires an item of particular specification suiting to their requirements, the M.P. Laghu Udyog Nigam shall invite tenders accordingly.

Note 3. The respective purchasing department shall nominate their representatives on the Laghu Udyog Nigam Marketing Committee for opening tenders and finalization of rates.

Note 4. The rates decided the Marketing committee of Laghu Udyog Nigam shall be binding on the purchasing departments.
In case the purchasing authority is not satisfied about the quality of item competence of manufacturer the matter shall be decided by a joint committee consisting of the purchasing office the director of industries and the Laghu Udyog Nigam.

Note 5. The aforesaid Marketing Committee may enter into negotiations with the tenders if necessary.

Note 6. The rates thus arrived at by the Marketing Committee of the Laghu Udyog Nigam shall be binding on the purchasing departments and all other departments requiring such items of the same specifications. No tenders shall be separately floated by the individual departments for the same items. in case of any dispute in regard to the rate with the purchasing department, the matter shall be referred to the Government (Commerce and Industry Department in Consultation with Finance Department) for decision.

Note 7. While distributing the orders amongst the tendering units, the capacity, location and past performance of the unit along with the destination of the supplies shall be considered.

Note 8. Normally the inspection of goods shall be made at the indenting stores. However, where necessary inspection may be arranged at the manufacturing works.

Note 9. In case of dispute between the manufacturing unit and the purchasing departments where supply have been inspected at works, the matter shall be referred to the Marketing Committee of Laghu Udyog Nigam for arbitration whose decision shall be final and binding on both the parties in all other cases the decision of the purchasing department shall be final and binding.

Note 10. All payment shall be routed through the laghu Udyog Nigam . The departments should remit payment to laghu udyog nigam within 21 days of the receipt of material . in case of delay the laghu udyog nigam shall charge 1-1/2 % p.m. interest on payment due from the date of receipt of material.

Note 11. The laghu udyog nigam shall release payment to the supplying small scale industries within 10 days of the receipt of payment from the purchasing department.

9. paragraph 50 and 51 may be substituted by :

50 . The intention of rule 14 is that item, reserved for purchase from the small scale industries shall be purchased from these industries only. Whenever such items are required to be purchased an indent should be placed with the laghu udyog nigam without inviting tenders and reasonable time should be given to them for making the supply only if the M.P laghu Udyog Nigam certify their inability to make the purchase should be made from other sources in accordance with these rules.

51 The purchasing authority while sending the bills to treasury shall record a certification on it to the effect that provisions of rule 14 have been fully complied with “.

Amendments In the Store Purchase Rules Sanctioned
Vide C & I Department Memo No. F/5/7/78/b(XI
Dated 29.04.1978 No. F/5/7/78/B/11 Dated 29.05.1978
No. F/6/8/78/B/XI Dated 27.11.1978 and No. 5/3/80/11/B
Dated 12.09.1983

List of Articles Included in Annexure – B

1. Pains, Varnishes and Distempers.
2. Hides-raw and tanned.
3. Leather and leather goods of all kinds excluding Industrial items.
4. Timber :
 - (a) Timber sewn.
 - (b) Wooden furniture of all kinds.
 - (c) Doors, Windows and other building fixtures.
 - (d) Other wooden articles including tentage requirements.
5. Non-ferrous utensils, kettles, hot water boilers, fitting and other utility articles.
6. Agricultural Implements :
 - (a) Bullock driven ploughs of all types.
 - (b) Rehats (Persian wheels)
 - (c) Winnowers
 - (d) Ridgers
 - (e) Threshers
 - (f) Chaff-cutters
 - (g) Seed drill and seed graders
 - (h) Hoes (Akolas)
 - (i) Spades
 - (j) Pickaxes
 - (k) Phawaras

(l) Ghamelas

7. General Engineering :

- (a) Hardware articles like wire nails, panel-pins, rivets, washers, nuts, and bolts, door and window fittings.
- (b) Iron castings like C.I. Pipes and special sewage fittings, and other drainage items, surface boxes, manhole covers, vent shafts, distance markers.
- (c) Building materials like stool structures, trussor, steel doors, windows, grills, storage tanks, rolling shutters, centering plates, C.I. sluice gates.
- (d) Barbed wire, M.S. wire, wire notting, link engines.
- (e) Sheet metal goods like steel trunks and boxes, drums, containers, buckets, office stationery articles, trays, waste paper baskets, confidential boxed, tacks etc.
- (f) Steel furniture of all kinds including office, hospital and other requirements.

8. Electric cables and wires.

9. Electric heaters, room coolers.

10. Automobile:

- (a) Spring leaves.
- (b) Hub drums.
- (c) Bushes.

11. Weights and measures commercial.

12. Animal/hand driven trolleys and carts.

13. Brushes.

14. Umbrellas.

15. Gymnastic items.

16. Stationery articles like pins, tags, gem clips, wooden rules, paper weights, pin-cushions, slates, pen stands, blotters, envelopes gum bottles, writing ink.

- 23. Bicycle and cycle parts.
- 24. Horsley goods.
- 25. Beam scales.
- 26. Enamel and pigments.
- 27. Splits, Alcohol and Alcoholic products.
- 28. Rubber tires and tubes.
- 29. Drawing and craft paper.
- 30. Glass-ware.
- 31. Medical stores-
 - (a) Drugs.
 - (b) Surgical instruments.
 - (c) Dressings including absorbent cotton.
- 32. Hand tools.
- 33. (1) Electrical:
 - (a) Ceiling, table and cabin fans.
 - (b) Motors.
 - (c) Transformers.
 - (d) Electric batteries and cells (other than dry cells).
 - (e) Electrics instrument and motors.
 (2) Other Electrical fittings and accessories.
- 34. Mechanical Engineering: -
 - (a) Internal Combustion Engines.
 - (b) Other industrial Engines.
 - (c) Pumping sets, motor driven.
 - (d) Deep-well turbine pumping sets.
 - (e) Pumping sets, engine driven.
 - (f) Earth moving machinery and spares.
 - (g) Steel casting.
 - (h) Centrifugal pumps.
- 35. Pipe fittings, G.I. Bends, tees, Sockets, Cock, Sluice and Valves.
- 36. Water meters.
- 37. Tractor accessories and implement.
- 39. Collora and callare and palos .
- 40. Castings, housing and sslottod plops for tubo wollq.
- 41. Plns- spllt, taper, quarter etc.

42. steel pipes flittings
43. (1) Workshop machinery (other than machinos tools).
(2) Machine tools .
44. Radio equipments.
45. Well boring plant.
46. Enamelled Iron Goods .
47. Electrical :
Electric screens, iron clad switches, copper tapos, Air conditlo – ning Plants. Wheatstones brldges , Earth moggar, sorlos resistance box, steel poles, Incubators, Autoclaves, Electrical carpot cloa – ners carbon reohstate, meggar, Inslation tapes, chick teste Ammeters, Electrical accessories such as button holders, tumbler switches, key holders lamp locks for brackets holders, cut - Outs flouereacent tubes.
48. Ampliflters (sound equipment).
49. Insectlcldes pesticldes, and fungicudes formulation
50. mathematical & survey equipment
51. laboratory equipments,
52. crockery , cutlery and enamel ware
53. fire fighting equipment, hoses, pumps, fire extinguishers refills etc
54. clock and watches
55. tinned and canned food stuffs
56. animal feeds
57. door mats
58. head pan, wash up shinks, slab urinals
59. ACSR and ASC conductors
60. asbestos cement pressure pipes
61. automobile axis
62. wipers and horns
63. speedometer cables
64. brake lining
65. pressure guage
66. commutator
67. bus body, buildings, bus kits, bus windows, truck bodies, and coach bodies.
68. C.I. surface plates
69. road roiler rims
70. spun pipes
71. electrical meters
72. fluroscent lighting fixtures
73. gears
74. C.I. wires
75. toughened

76. glues
77. ice machinery and refrigerating equipments
78. drilling machine
79. metallic flexible tubes
80. oscilloscopes.
81. Pharmaceuticals.
82. Straw-boards.
83. Stay wire.
84. Signaling wire and ground wire.
85. Traffic signaling equipments.
86. Sewing machines.
87. Safety meters.
88. Tubular sauctares, pollen.
89. Wire ropes.
90. Waxes and water proof papers
91. Webbing products.
92. Optical lenses.
93. Optical Instruments.
94. Welding Transformer Generators.
95. Annealed wires.
96. Automobile armature cull and dynamos.
97. Sawing blades.
98. Fire bricks and refractoriness.
99. Fire alloy.
100. Machine screws and wood screws.
101. Metal Impels and badges.
102. Tarpaulins.
103. Ronal coolers.
104. Band saw blades.
105. Pressure gauge.
106. Gelatin.
107. Polished stone
108. metal rods of wire, Non Ferrous metal in extended shapes and brass rods .
109. Rolled stell sections and rod angles.
110. Tabular nuts .
111. Pistons
112. battery chargers and eliminators.
113. Voltage boosters , transformer , Autoatic Voltage Stablizers, Low Voltage transformer , motor starting Auto-Transformer , high voltage insulation testing transformer , Phase Shifting and phase conversion Transformer .
114. Small ovens and furnances, Electrically operated water distilling plants .

115. M.S. Pipes, Flats etc.
 116. Round bars , Angles , Channels, Flats , Tees pipe joints etc.
Product of steel re- rolling mill , and foundries.
 117. Spring pins.
 118. Kingpin Bushes.
 119. Silencers.
 120. Crank shaft connecting rods.
 121. Handloom articles such as guage, bandage cloth , sarees ,chadars, bed spreads , curtains , upholstery materials aand Tusar fabric .
 122. Laboratory fine chemicals and analytical reagonta.
 123. Ayurvedic Medicines .
 124. Ready made Garments .
 125. Alum.
 126. Plough corn Shelters , Seeds drills, spares, C.I & M.S. Spares.
 127. Sqaure bars.
 128. casting like manhole covers, gates etc .
All types of ferrous and non – ferrous casting.
All kinds of steel casting .
 129. Buttons(Plastic).
 130. Woollen Blankets.
- F/5/7/78/8/11 dated
29-5-78

List of Stationary Articles.

131. File pads.
132. Register ruled 1 qr
133. Registerd ruled 2 qr
134. Shorthand note book.
135. Typeing paper 20.5 * 33- 14/15/16 Kg (3 lds 1" * 13")
136. Call bells , Nickel Plated in boxes.
137. Bitters inkle plated
138. Desk knaves.
139. Erasers, Ink and Pencil combined.
140. Carbon paper.
141. Gem paper-clips.
142. Office paste bottles, Rubber ripped.
143. Paper clips small.
144. Laces for files.
145. Letter weighing scales.
146. Nibs.
147. Pads, Rubber stamps.
148. Pencils, Audit brown,

149. Pencils, Copying had.
150. Pen holders.
151. Pin common.
152. Pin cushion.
153. Rubber stamps Racks.
154. Seating wax red.
155. Tags cotton.
156. Twine balls.
157. Wax candles.
158. Sewing thread reels.
159. Staple machines.
160. Staple wire.
161. Ink, liquid Blue Black.
162. Ink, Thumb impression-Black.
163. Ink, indelible for writing cherub.
164. Brushes for cleaning Typewriter.
165. Correcting folded.
166. Dupligraph developing solution.
167. Pen Cyclostyle.
168. Ribbon Black.
169. Typewriter oil.
170. Ink tablets, Blue-Black.
171. Road Equipments: -
 - Vibrator-All types, Concrete mixers, Asphalt Mixers all types,
 - Khmers- all types, Asphalt Drum lifter-cum heaters, Asphalt
 - Mixing trays, Kodak type forks, Tar cans, Wheel Barrows,
- Shovels
 - (Belches), Hand cart Thela, Graded metal screen and all other
 - items
 - Which are used in construction of road.
172. Intercoms.
173. Calculators.
174. Hand thebe mall gadi.
175. Chlorinators, Bleaching Power Unit.
176. HDPE Alum Dosing Tanks.
177. HDPE Fittings.
178. HDPE portable storage tanks.
179. Polyurethane Flexible Foam Mattresses, Pillows, Bus Seats etc.
180. Water proof marking ink.
181. Marking pen & oil chalk.
182. Sprinklers.
183. Tar felt, Bitumen, Primer Ceiling Compound, Expansion Joint filer
- Board grill.

- 184. Jeep, Trolly, Tractor Trolley, Water Tanker, Trolleys of various sizes
& capacities.
- 185. Slotted Angles & Accessories.
- 186. Gland Rope.
- 187. Gunmetal Valves.
